Best Websites for Online Instructors

This presentation will highlight some of the best Interactive Websites. A demonstration of many standards-based cross curricular web resources designed to enhance online learning opportunities. These sites interact with the user through either a text-based or graphical user interface. Conference goers will be able to Interact with these websites at this display, watch a slideshow that features many of these great sites, and take away a handout listing dozens of interactive websites that instructors can access from your own classroom or link them to your online course shell.

This Poster Presentation will be interactive and provide plenty of ideas to enhance online learning.
